OUR SUSTAINABLE JOURNEY

As a globally recognized leader in the logistics industry, we aim to better our environment, society, and governance. This involves our unwavering commitment to society at large to contribute to a sustainable world.

“Our future depends on what we do today.”

ENVIRONMENTAL

- From ecosystem reforestation initiatives in Habarana, Sri Lanka, to on-site tree planting at our warehouses in India, we remain committed to environmental stewardship. These initiatives ensure that our expanding logistics network grows in harmony with nature and the communities that power our success.

SOCIAL

- From strengthening healthcare at the Borella Ayurveda Teaching Hospital to providing on-the-ground relief for flood victims in Madolsima after the 2025 'Ditwa' Cyclone, we stand with our communities. We are proud to turn our logistics expertise into a force for humanitarian good across Sri Lanka.

GOVERNANCE

- Significant customer demand for the charter freight solution that we implemented in response to requests for specific routes during the difficult COVID-19 pandemic. We carried out the first passenger-to-cargo (P2C) freight from Shanghai to Colombo during the pandemic in Sri Lanka.
